The steel for the extension to Port Huron has been purchased and the ties are being unloaded at Peck every day.—Peck Times.

### M. P. Church Notes

REV. CHAS. BRAGG, PASTOR

Mother's day was fittingly observed at our church last Sunday morning.

Each mother was presented with a white carnation. Music suited to the day was rendered. The solo by our pastor, "I'm Going Back to Mother," was sung in his usual good style and touched the hearts of all, after which he delivered a splendid sermon, paying a high tribute to the mothers who have taken their part so well in rearing their children to be christian men and women, exhorting them to more earnest effort in the future.

The subject for evening service was reversed and an unusually good sermon was given for the benefit of men and boys.

The L. A. S. met in the basement of the church this week to quilt. A pot luck lunch was served.

**MORE MEN THAN WOMEN HAVE APPENDICITIS**

Surgeons state men are slightly more subject to appendicitis than women.

Yale people should know that a few doses of simple backthorn bark, glycerine, as mixed in Adler-I-ka, often relieve or prevent appendicitis.

This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-I-ka is surprising.
